

元智大學資訊學院英語學士班 大學程式能力檢定獎學金申請辦法

111.07.19 110學年度第7次班務會議通過

第一條 為提升本學士班學生思考、解決問題以及程式設計能力，特訂定此辦法。

一、申請資格：(需符合以下條件)為本學士班在學學生。

二、參與大學程式能力檢定並答對三題(含)以上，以考試之結果為依據。

第二條 金額：

一、答對三題：頒發獎金500元。

二、答對四題：頒發獎金1,000元。

三、答對五題：頒發獎金3,000元。

四、答對六題：頒發獎金6,000元。

五、答對七題：頒發獎金10,000元。

至多領取一次答對三題的獎學金，兩次答對四題的獎學金，答對五題(含)以上則不限次數。

第三條 申請方式：

凡符合申請資格之學生，應於當次大學程式能力檢定考試結束次日起算一星期內填寫申請表，送交本學士班辦公室辦理申請。

第四條 凡經審查合格者，即頒發獎學金。

第五條 本辦法經班務會議通過後實施，修正時亦同。

Scholarship for Collegiate Programming Examination (CPE)

International Bachelor Program in Informatics

Yuan Ze University

Approved by the 7th Program Affair Meeting, Year 2022

- Rule 1** This scholarship is established to encourage the students enrolled in the International Bachelor Program in Informatics to improve their computer programming skills through participating in the Collegiate Programming Examination (CPE), supervised by the Association of Taiwan Computer Programming Contest.
- Rule 2** Qualification for application
1. A student enrolled in this program.
 2. Participating in the exam and at least answering three problems correctly.
- Rule 3** Amount of scholarship
1. NT\$500 for answering three problems correctly.
 2. NT\$1,000 for answering four problems correctly.
 3. NT\$3,000 for answering five problems correctly.
 4. NT\$6,000 for answering six problems correctly.
 5. NT\$10,000 for answering seven problems correctly.
- A student can be awarded at most one time for answering three problems correctly and twice for answering four problems correctly. There is no restriction for the number of times for answering five or more problems correctly.
- Rule 4** Filing an application
- A qualified applicant should submit an application form to the program's administration office in one week after the score is published.
- Rule 5** Once an application is authenticated, the amount of scholarship determined according to Rule 3 will be granted.
- Rule 6** This document takes effect after it is approved by a Program Affair Meeting. Any subsequent revision needs also be approved by a Program Affair meeting.
